Re: HQ-2019-00495-F

Dear Mr. Pfeiffer:

This is a final response to the request for information you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested:

Photographs each of the Atomic Energy Commission Seal and related or collocated historical markers and plaques in the lobby/entrance of the Department of Energy headquarters located at 19901 Germantown Rd, Germantown, MD 20874.

Your request was assigned to DOE's Office of Management (MA) to conduct a search of its files for responsive records. MA started its search on February 28, 2019, which is the cut-off date for responsive records. MA completed its search and identified five (5) records responsive to your request.

The information you requested is publicly available. The FOIA does not require agencies to provide copies of publicly-available documents; however, as a courtesy, we are providing you the links. The records can be accessed online at:

The adequacy of the search may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. § 1004.8. Appeals should be addressed to Director, Office of Hearings and Appeals, HG-1, L'Enfant Plaza, U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, D.C. 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal by e-mail to OHA.filings@hq.doe.gov, including the phrase "Freedom of Information Appeal" in the subject line. (This is the method preferred by the Office of Hearings and Appeals.) The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where DOE's records are situated, or (4) in the District of Columbia.
